

TOWN OF JACKSON

OFFICE OF THE SELECTMEN

Amended Driveway Permit and Inspection Policy for Driveways Within a Subdivision

1. All roads and driveways shall meet requirements of the Town of Jackson Zoning Ordinance (section 9.02 of Subdivision Regulations).
2. All roads and driveways must comply with the Town of Jackson Road Standards, section 9.02 of the Subdivision Regulations.
3. Section 12 of the Subdivision Regulations states that the enforcement of the regulations is vested with the Selectmen. It will be policy for the Town Road Agent or Building Inspector to assure the adherence to these regulations.
